## SUMMARY

Passionate and motivated front-end developer with a strong foundation in JavaScript, React, and modern web development practices. Leveraging hands-on experience from the intensive Alpha Program at Telerik Academy, I have developed several real-world projects, which you can explore below. One of these is a dynamic UI/UX website featuring cutting-edge design trends, parallax animations, and complex UI geometry. Skilled in technologies such as GSAP, Three.js, and Next.js, I am dedicated to continuous learning to stay current and enhance my skills. Known for adaptability, rapid learning, and a collaborative mindset, I am eager to apply my expertise in front-end development to create impactful user experiences in a professional environment.
